

Hot Chocolate List

The Original Drinking Chocolate is one of the most pure and sumptuous chocolate experiences. An intense dark chocolate experience, deep and powerful, with delightful hints of plum, dried cherry and sun-dried muscatels. It finishes off with an amazing textural resonance on the tongue and in the mouth that echoes delightfully for an age.

The Dimboola Lake salt in strikingly pink, fed by an ancient aquifer, its unique blend of minerals gives it a wonderful well-rounded complex flavour. This makes it just the thing to add to our Pink Salt Caramel Drinking Chocolate to perfectly balance all these wonderful ingredients.

Noir Drinking Chocolate is for people who desire an intense cocoa experience. It is smooth, complex and nuanced, without bitterness. Sourced from great cocoa growing terroirs, it has incredible depth and diversity in its chocolate flavour profile. With an intense, delightful, deep-toned hazelnut, butterscotch and caramel notes, the texture is something to behold. Velvet-like and sustaining drinking chocolate.

Sicilian Orange Drinking Chocolate is a delightful classic chocolate-orange pairing. We subtly blend our fine Original cocoa with just a hint of sublime, naturally extracted Sicilian orange oil. These work in concert to lift the taste to a higher level in harmony and freshness.

Chilli Infused Drinking Chocolate is influenced by a traditional Mexican drink. We subtly blend our fine original cocoa with a hint of dried chilli. This hint of chilli adds a delicious, complex note of slight heat to the deep smooth cocoa notes.

French Mint Drinking Chocolate is a delightful classic chocolate-mint pairing. We subtly blend our fine Original cocoa with fresh extracted peppermint oil from a French master. The exquisitely complex, lovely high notes of peppermint marry harmoniously with the deep-toned cocoa.

Cinnamon Spice Drinking Chocolate is made in a northern European style. We subtly blend our fine Original cocoa with freshly cold ground cinnamon, allspice, nutmeg and cardamon. These work incredibly well together to add zest and spice to the cup.

Real White Drinking Chocolate that is a fine powdered white chocolate bar that contain real cocoa butter, which is what gives our white chocolate its flavour and amazing texture.

Seven Spice Chai is a unique product of seven freshly ground spices, sourced directly from some of the world's finest spice farms. The spices are blended with an organic, unrefined jaggery sugar (evaporated sugar cane juice) and a natural Sri Lankan tea extract. Our balance of spices ensures that the flavours are not too overpowering.
