

Wine List

Ellis Wines Rebel Range Shiraz. A clear, dark purple colour, typical of Heathcote Shiraz. This Shiraz exhibits fragrant aromas and flavours of violets, black cherries with a lovely touch of pepper and spice.

With beautifully integrated French oak, this wine shows lovely balance and intensity with a smooth finish.

Price Ellis Wines Signature Rose. A beguiling light blush pink. Our Rose is an elegant style of rose, full of vibrant aromatic notes of cherries, apricot blossom and musk. The palate is crisp and fresh, with flavours of strawberries and a long creamy finish – perfect to share with friends on a summers day or enjoy with a smoked salmon pasta dish.

Ellis Wines Signature Moscato. This Moscato is a variety predominantly grown in the northern mountains of Alto Adige in Italy. A floral and musky aroma leaps from the glass followed by a lively spritz on the palate coupled with jasmine nectar, lychee characters and a delicious touch of sweetness. Perfect as an aperitif or paired with a smoked salmon blini.

Ellis Wines Signature Viognier. Good clean, light straw colour. A highly aromatic nose, with hints of ripe, stone fruits. The best way to describe this wine is to imagine walking through the front gate of a small English cottage with a flower garden in full bloom. As you enter the front door you spy the cheese platter, on which are laid a French brie, dried apricots and figs. That takes care of the middle palate. Then comes the full meal, comprising of a chicken tagine with apricots and pine nuts.
